The National league base ball season closed Saturday, and Boston again won the pennant. The majority of the team managers have nothing but tales of woe to tell. There are three notable exceptions—Boston, Chicago and Cincinnati. These are away ahead financially, but the presidents refuse to state the exact amount of their profits. The rest of the clubs declare that the war almost ruined them, and that they expect next season to be a good one for the national game.

One of the heaviest losers is New York. Neither President Freedman nor Secretary McColl, will discuss the disastrous showing made by the Giants, but they are showing more to both of a man who is pretty close to both of them stated that the losses will amount to not less than \$50,000. The attendance at the Polo Grounds was the smallest by far ever known, and the management claims that the war had much to do with it.

FOOT BALL.

The attendance at next Saturday's game will determine patronage of football games in Wheeling, and it is hoped

Dandruff is Dangerous

When dandruff appears it is usually regarded as an annoyance. It should be regarded as a disease. Its presence indicates an unhealthy condition of the scalp, which, if neglected, leads to baldness. Dandruff should be cured at once. The most effective means for the cure is found in AYER'S HAIR VIGOR. It promotes the growth of the hair, restores it when gray or faded to its original color, and keeps the scalp clean and healthy.

"For more than eight years I was greatly troubled with dandruff, and though a young man, my hair was fast turning gray and falling out. Baldness seemed inevitable until I began to use

Ayer's Hair Vigor

The dandruff has been entirely removed and my hair is now soft, smooth and glossy and fast regaining its original color. L. T. YALLEN, Allenton, Mo.

A CHALLENGE TO FLAHERTY.

NEW YORK, Oct. 16.—Martin Flaherty, the Lowell, Mass., featherweight pugilist, is out with a challenge to meet any man in the world from 126 to 130 pounds, Tommy White, of Chicago, preferred. Flaherty's manager, Charles J. Harrow, of this city, says that his man disputes Tommy White's right to the 126 pound championship on the strength of his defeat of Danny McBride at Coney Island two weeks ago. He says that Flaherty has beaten McBride twice at that weight and also won from Larry Burns, of Cohoes. With these victories, as well as a decision over Frank Erne and "draws" with Spike Sullivan and Jack Downey to his credit, Flaherty claims that White must meet the lad from Lowell before the championship of 126 pounds can be positively decided.

GOOD FOR WAGNER.

LOUISVILLE, Ky., Oct. 16.—At a benefit tendered to the Louisville league players to-day, Hans Wagner, the Colonels' first baseman, beat the long distance throwing record made by John Hatfield in 1872, by one yard and one-half inch. Wagner threw the ball 134 yards, one foot and eight inches. Precisely twenty-six years ago, Hatfield, then a member of the Mutuals, made a world's record of 133 yards, one foot, seven and one-half inches at the Union grounds, Brooklyn.
